PITCCH 4th Webinar

AGENDA

Day: 24th of November

Time: 15.30-16.30

Registration link: <https://pitcch.eu/technology-centres-pitcch-webinar/>

Title: "The role of Technology Centres in the PITCCH network"

PITCCH has designed a central role for Technology Centres in the Open Innovation network. Technology Centres are facilitators of structured collaborations between Big Corporations and SMEs/Startups. They can provide services to SMEs/startups to facilitate them delivering technological solutions to the Big Corporations.

This webinar is to present their role in PITCCH, to show what actions they can take in the platform, and to offer an overview of the current Challenges.

Organiser: RINA-C

Moderator: Giacomo Damilano, RINA-C
